Timber Harvesting Application

Instructions:

To obtain approval for a Timber Harvesting Permit, submit three (3) sets of site plans and required documents to the Community Development Department: (see required submittal document matrix attached)

- 1) Site Plan must be submitted by a registered forester, civil engineer, or landscape architect.
- 2) For areas greater than five (5) acres, site plan must be signed by a registered forester.
- 3) Timber harvesting that results in the sale of timber, must conform to state law regarding payment of taxes. Submit the following documents to the Clayton County Tax Assessor's Office:
 - Georgia Department of Revenue Form PT-283T.
 - Required payment for taxes.

Site Plan Requirements:

- Site Plan boundary must show meets and bounds
- Site Plan minimum size shall be 11 x 14 inches and maximum size shall be 24 x 36 inches
- Scale (minimum 1" = 100'); North Arrow; Topography shown at twenty 20' intervals (U.S.G.S quadrangle map)
- Project Site zoning classification and all adjacent properties zoning classification shown
- Disturbed area delineated and total acreage of site and disturbed area shown.
- Adjacent right-of-ways identified
- Show all State Waters; Wetlands; 100-year floodplain
- Delineate all state water buffers per State of GA and Clayton County regulations.
- Approximate locations and dimensions of any logging decks.
- Location of the streamside management zone (dimension required width).
- Approximate locations of any haul roads.
- Approximate locations of any stream crossings showing approximate width of crossing (bank to bank) and method of sediment control (rock riprap or culvert).
- Approximate locations of any historical features including cemeteries; or, a note indicating the absence of such on the site.
- Delineation and labeling of any required buffer zones around the perimeter of the property.
- A detail of the method to be used to delineate all buffers on the site.
- Expected time frame in which the operation will occur.
- Any additional information as may be required by the Department of Community Development staff to perform a proper review of the project.
- Timber Harvesting notes per Appendix C.

This application must be completed and signed by a registered forester, civil engineer, or landscape architect.
