REQUIREMENTS FOR VOLUNTARY PARTICIPATION

You must fully understand and accept the following requirements before you are accepted for voluntary participation in the Clayton Judicial Circuit Pretrial Diversion Program.

- 1) I may withdraw from the program at any time and thereafter will be required to answer in court any accusation made against me regarding the offense.
- 2) I must not violate the laws of this state or any other state or any governmental authority or I may be prosecuted for both this current offense and the new offense.
- 3) I must notify the Diversion Representative before leaving the state.
- 4) I must not knowingly associate with persons of bad character or who violate the law.
- 5) I must report to the Diversion Office as instructed, at the required time and report in person, if requested to do so.
- 6) I must report and cooperate with any counselor or agency to which I am referred, and must pay all applicable fees.
- 7) I must inform my parent(s), spouse, or members of my immediate family of my participation in the program and permit them to talk with the Diversion Representative if requested.
- 8) I must pay any restitution required for the offense at the time of my acceptance into the program.
- 9) I understand that while participating in this program, I may not carry a weapon of any type, (example: knife or pistol) for any reason without the permission of the Diversion Representative.
- 10) I must supply the Diversion Representative three references from non-relatives.
- 11) Before acceptance in the Diversion Program (on intake packet) I must give a written statement regarding the incident that lead to my arrest, describing my involvement and the involvement of any other parties, and admit my guilt.
- 12) I understand that failure to fulfill any requirements may be considered sufficient reason by the Diversion Representative to refer the case back to the Assistant District Attorney for prosecution.

By signing this document this _____ day of _____, 2009,
I am affirming that I fully understand the requirements for voluntary participation in the
Diversion Program.
