

Are You....

A Person in Charge?

Responsible for demonstrating knowledge of food-borne disease prevention and other requirements of the Food Code?

A Food Service Manager?

A Manager or Employee in Training?

New Restaurants: Must be certified within 90 days of receiving approval to open from the Clayton Environmental Health Dept.

NOW you have the opportunity to improve your food safety and sanitation skills through a nationally recognized food safety sanitation course: SERVSAFE®: Serving Safe Food.

This course is certified through the Educational Foundation of the National Restaurant Association in Chicago, Illinois and includes:

Course book: ServSafe® Essentials Sixth Edition

Instruction: 12 Hours by Certified ServSafe Trainers of University of Georgia, Family and Consumer Sciences

Kim Riley-Proctor

* Successful completion of the exam provides certification that is accepted by over 95% of all state and local jurisdictions that require manager training and/or testing in the United States.

* A certificate from the educational Foundation of the National Restaurant Association is issued upon successful completion of the examination.

Course Content:

- Providing Safe Food
- Forms of Contamination
- The Safe Food Handler
- The Flow of Food
