**Community Garden Unveiling During
Flat Shoals Football Spirit Night 2010**

WHO: County Commissioner, Gail Hambrick will unveil the first Community Garden in District 2 as part of the county's overall community health initiative. Commissioner Hambrick has placed a great emphasis on introducing programs that will create a healthier environment for her constituents and the creation of a community garden is included of her overall health and fitness plan. Various community gardens are being planted throughout the county as part of a collaboration between the Board of Commissioners, Clayton County Board of Health and the University of Georgia Clayton County Extension Services.

WHAT: The garden's unveiling will take place in conjunction to the Flat Shoals Park Football Spirit Night, kicking off the park's official football league season. The fun-filled family evening includes food, music, games, a pep rally, and introduction of the park's 17 football teams. The community will also have an opportunity to view the numerous upgrades taking place at the park under the direction of Commissioner Hambrick.

WHERE: **Flat Shoals Park**
1915 Flat Shoals Road
Riverdale, GA
