

Commissioner Shana M. Rooks

and

presents a free seminar "Enroll Clayton"

Get help with health insurance

Before you spend money on a health plan, spend some time with a licensed insurance agent.

Get the answers to your questions and get information about health insurance plans you can buy that will fit your family and budget.

You can even find out if you qualify for financial assistance.

Call today to set up a private appointment or to register for an upcoming, **FREE** seminar.

You'll learn if you're eligible to have your premiums or costs lowered.
