Clayton County Prison 2017 Annual PREA Report

The Annual PREA Report for calendar year 2017, shows that this facility is continuing to strive for compliancy with all standards and expectation of the PREA Policy. Clayton County Prison houses, on average, a population of 232 inmates. The facilities mission is to utilize prison labor to successfully conduct and complete daily work production for the County. All daily project initiatives are functionally grouped by the directives of the Board of Commissioners, Warden, Deputy Warden, and Departments within the community. All Staff and departmental personnel that work directly with Inmates of The Department of Corrections, have been properly trained and instructed on Standards of PREA.

During the 2017 PREA Year, there were eight (8) incidents reported. After the completion of thorough investigations, all incidents were concluded to be unfounded.

Comparison of yearly stats:
