- Residential Temporary Power
- Commercial Temporary Gas Service
- Commercial Temporary Power

I hereby assume all responsibility and liability for use of the electrical system at the above mentioned address during this temporary period.

It is understood that temporary power will be granted for a period of sixty (60) days. If work is not completed, an extension of this temporary approval must be applied for and additional fees may be required; otherwise we understand that Clayton County Community Development will direct the utility company to disconnect the service.

It is further understood that the inspector may recommend to the director of Clayton County Community Development or his designee, to disconnect or refuse to extend this temporary approval for good and sufficient reasons.

It is further understood that no occupancy is to be allowed during the use of this temporary approval and that occupancy will result in a disconnection of service. I hereby waive any and all rights, claims and remedies I may have against Clayton County, Georgia and all officials and agents thereof relating to the connection or disconnection of service.
