## Grocery Store Business Licenses Requirements

### Section 1.5- Defined Words:

Grocery, Full Service: a retailer licensed as a grocery store and dedicates at least five percent of the selling area to each of at least six of the following categories: (1) Fresh fruits and vegetables, (2) Fresh and uncooked meats, poultry and seafood, (3) Dairy products, (4) Canned foods, (5) Frozen foods, (6) Dry groceries and baked goods, and (7) Non-alcoholic beverages. In order for the square footage to be considered part of the selling area, it must be open to the public and may not include storage, preparation areas or rest rooms.

Opening Date: \_\_\_\_\_

Square footage of Business selling area \_\_\_\_\_

Category	Square Footage	Square Footage Percentage
Fresh Fruits & Vegetables		
Fresh Uncooked Meats, seafood, poultry		
Dairy Products		
Canned Foods		
Frozen Foods		
Dry groceries and baked goods		
Non-Alcoholic beverages		

Floor plans are required to be submitted with the business license application. All food categories areas must be shown on the floor plans.

An Inspection of the premises is required to verify that the business meets the above definition of a grocery store.

Per **Section 22-34** the business license will be suspended or revoked if it is determined the business fails to meet the grocery store criteria as outlined above.
