### REPRESENTATIONS AND WARRANTIES

**Section 2.01. Representations by the Issuer.** The Issuer makes the following representations and warranties as the basis for the undertakings on its part herein contained:

(a) Creation and Authority. The Issuer is a public corporation duly created and validly existing under the laws of the State, including the provisions of the Urban Redevelopment Law. The Issuer has all requisite power and authority under the Urban Redevelopment Law and the laws of the State (1) to issue the Bond to refund the Refunded Bonds, in order to refinance the costs of acquiring, constructing, and installing the Projects; (2) to sell the Projects to the Purchaser; and (3) to enter into, perform its obligations under, and exercise its rights under this Agreement, the Bond Purchase Agreement, and the Assignment.

(b) Pending Litigation. Except as disclosed in writing to the Bond Buyer, there are no actions, suits, proceedings, inquiries, or investigations pending or, to the knowledge of the Issuer, after making due inquiry with respect thereto, threatened against or affecting the Issuer in any court or by or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the transactions contemplated by this Agreement or which, in any way, would adversely affect the validity or enforceability of the Bond, the Bond Purchase Agreement, the Assignment, this Agreement, or any agreement or instrument to which the Issuer is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or thereby, nor is the Issuer aware of any facts or circumstances presently existing that would form the basis for any such actions, suits, or proceedings.

(c) Agreements Are Legal and Authorized. The execution and delivery by the Issuer of this Agreement, the Bond, the Bond Purchase Agreement, and the Assignment and the compliance by the Issuer with all of the provisions of each thereof (i) are within the purposes, powers, and authority of the Issuer; (ii) have been done in full compliance with the provisions of the Urban Redevelopment Law and have been approved by the Governing Body of the Issuer and are legal and will not conflict with or constitute on the part of the Issuer a violation of or a breach of or a default under any organic document, indenture, mortgage, security deed, pledge, note, lease, loan, or installment sale agreement, contract, or other agreement or instrument to which the Issuer is a party or by which the Issuer or its properties are otherwise subject or bound, or any license, judgment, decree, law, statute, order, writ, injunction, demand, rule, or regulation of any court or governmental agency or body having jurisdiction over the Issuer or any of its activities or properties; and (iii) have been duly authorized by all necessary and appropriate official action on the part of the Governing Body of the Issuer. This Agreement, the Bond, the Bond Purchase Agreement, and the Assignment are the valid, legal, binding, and enforceable obligations of the Issuer.

(d) Governmental Consents. Neither the nature of the Issuer nor any of its activities or properties, nor any relationship between the Issuer and any other Person, nor any circumstance in connection with the offer, issue, sale, or delivery of the Bond is such as to require the consent,

approval, permission, order, license, or authorization of, or the filing, registration, or qualification with, any governmental authority on the part of the Issuer in connection with the execution, delivery, and performance of this Agreement, the Bond Purchase Agreement, and the Assignment or the consummation of any transaction therein contemplated, or the offer, issue, sale, or delivery of the Bond, except as shall have been obtained or made and as are in full force and effect.

(e) No Defaults. To the knowledge of the Issuer, after making due inquiry with respect thereto, no event has occurred and no condition exists that would constitute an event of default under the Bond Purchase Agreement or that, with the lapse of time or with the giving of notice or both, would become such an event of default. To the knowledge of the Issuer, after making due inquiry with respect thereto, the Issuer is not in default or violation in any material respect under the Urban Redevelopment Law or under any organic document or other agreement or instrument to which it is a party or by which it may be bound.

(f) No Prior Pledge. Neither this Agreement nor any of the payments or amounts to be received by the Issuer hereunder have been or will be assigned, pledged, or hypothecated in any manner or for any purpose or have been or will be the subject of a grant of a security interest by the Issuer other than as provided in the Assignment.

(g) Disclosure. The representations of the Issuer contained in this Agreement and any certificate, document, written statement, or other instrument furnished to the Bond Buyer by or on behalf of the Issuer in connection with the transactions contemplated hereby do not contain any untrue statement of a material fact relating to the Issuer and do not omit to state a material fact relating to the Issuer necessary in order to make the statements contained herein and therein relating to the Issuer not misleading. Nothing has come to the attention of the Issuer that would materially and adversely affect or in the future may (so far as the Issuer can now reasonably foresee) materially and adversely affect the sale of the Projects by the Issuer or any other transactions contemplated by this Agreement, the Bond Purchase Agreement, and the Assignment, which has not been set forth in writing to the Bond Buyer or in the certificates, documents, and instruments furnished to the Bond Buyer by or on behalf of the Issuer prior to the date of execution of this Agreement in connection with the transactions contemplated hereby.

(h) Compliance with Conditions Precedent to the Issuance of the Bond. All acts, conditions, and things required to exist, happen, and be performed precedent to and in the execution and delivery by the Issuer of the Bond do exist, have happened, and have been performed in due time, form, and manner as required by law; the issuance of the Bond, together with all other obligations of the Issuer, do not exceed or violate any constitutional or statutory limitation; and the revenues, funds, property, and amounts pledged to the payment of the principal of, premium, if any, and interest on the Bond, as the same become due, have been calculated to be sufficient in amount for that purpose.

**Section 2.02. Representations by the Purchaser**. The Purchaser makes the following representations and warranties as the basis for the undertakings on its part herein contained:

(a) Creation and Authority. The Purchaser is a political subdivision duly created and validly existing under the laws of the State. The Purchaser has all requisite power and authority

under the laws of the State to purchase the Projects from the Issuer and to enter into, perform its obligations under, and exercise its rights under this Agreement.

(b) Pending Litigation. Except as disclosed in writing to the Bond Buyer, there are no actions, suits, proceedings, inquiries, or investigations pending or, to the knowledge of the Purchaser, after making due inquiry with respect thereto, threatened against or affecting the Purchaser in any court or by or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the properties, activities, prospects, profits, operations, or condition (financial or otherwise) of the Purchaser, or the ability of the Purchaser to perform its obligations under this Agreement, or the transactions contemplated by this Agreement or which, in any way, would adversely affect the validity or enforceability of this Agreement or any agreement or instrument to which the Purchaser is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or thereby, nor is the Purchaser aware of any facts or circumstances presently existing that would form the basis for any such actions, suits, or proceedings. The Purchaser is not in default with respect to any judgment, order, writ, injunction, decree, demand, rule, or regulation of any court, governmental authority, or arbitration board or tribunal.

(c) Agreement Is Legal and Authorized. The execution and delivery by the Purchaser of this Agreement, the consummation of the transactions herein contemplated, and the fulfillment of or the compliance with all of the provisions hereof (i) are within the power, legal right, and authority of the Purchaser; (ii) are legal and will not conflict with or constitute on the part of the Purchaser a violation of or a breach of or a default under, any organic document, indenture, mortgage, security deed, pledge, note, lease, loan, or installment sale agreement, contract, or other agreement or instrument to which the Purchaser is a party or by which the Purchaser or its properties are otherwise subject or bound, or any license, law, statute, rule, regulation, judgment, order, writ, injunction, decree, or demand of any court or governmental agency or body having jurisdiction over the Purchaser or any of its activities or properties; and (iii) have been duly authorized by all necessary and appropriate official action on the part of the Governing Body of the Purchaser. This Agreement is the valid, legal, binding, and enforceable obligation of the Purchaser. The officials of the Purchaser executing this Agreement are duly and properly in office and are fully authorized and empowered to execute the same for and on behalf of the Purchaser.

(d) Governmental Consents. Neither the Purchaser nor any of its activities or properties, nor any relationship between the Purchaser and any other Person, nor any circumstances in connection with the execution, delivery, and performance by the Purchaser of its obligations under this Agreement or the offer, issue, sale, or delivery by the Issuer of the Bond, is such as to require the consent, approval, permission, order, license, or authorization of, or the filing, registration, or qualification with, any governmental authority on the part of the Purchaser in connection with the execution, delivery, and performance of this Agreement or the consummation of any transaction herein contemplated, or the offer, issue, sale, or delivery of the Bond, except as shall have been obtained or made and as are in full force and effect and except as are not presently obtainable. To the knowledge of the Purchaser, after making due inquiry with respect thereto, the Purchaser will be able to obtain all such additional consents, approvals, permissions, orders, licenses, or authorizations of governmental authorities as may be required on or prior to the date the Purchaser is legally required to obtain the same.

(e) No Defaults. No event has occurred and no condition exists that would constitute an Event of Default or that, with the lapse of time or with the giving of notice or both, would become an Event of Default. To the knowledge of the Purchaser, after making due inquiry with respect thereto, the Purchaser is not in default or violation in any material respect under any organic document or other agreement or instrument to which it is a party or by which it may be bound.

(f) Compliance with Law. To the knowledge of the Purchaser, after making due inquiry with respect thereto, the Purchaser is not in violation of any laws, ordinances, or governmental rules or regulations to which it or its properties are subject and has not failed to obtain any licenses, permits, franchises, or other governmental authorizations (which are presently obtainable) necessary to the ownership of its properties or to the conduct of its affairs, which violation or failure to obtain might materially and adversely affect the properties, activities, prospects, profits, and condition (financial or otherwise) of the Purchaser, and there have been no citations, notices, or orders of noncompliance issued to the Purchaser under any such law, ordinance, rule, or regulation.

(g) Restrictions on the Purchaser. The Purchaser is not a party to or bound by any contract, instrument, or agreement, or subject to any other restriction, that materially and adversely affects its activities, properties, assets, operations, or condition (financial or otherwise). The Purchaser is not a party to any contract or agreement that restricts the right or ability of the Purchaser to enter into agreements of sale on an installment basis.

(h) Disclosure. The representations of the Purchaser contained in this Agreement and any certificate, document, written statement, or other instrument furnished by or on behalf of the Purchaser to the Issuer or the Bond Buyer in connection with the transactions contemplated hereby, do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein or therein not misleading. ### SALE OF THE PROJECTS; SECURITY; TITLE

**Section 3.01. Sale of the Projects.** The Issuer hereby sells to the Purchaser, and the Purchaser hereby purchases from the Issuer, the Projects at the purchase price set forth in Section 5.03 hereof and in accordance with the provisions of this Agreement. The Issuer shall deliver to the Purchaser documents conveying to the Purchaser good and marketable title (of the same quality as received by the Issuer) to the Projects.

**Section 3.02. Security for Payments under this Agreement.** (a) As security for the payments required to be made and the obligations required to be performed by the Purchaser under this Agreement, the Purchaser hereby pledges to the Issuer its full faith and credit and taxing power for such payment and performance. The Purchaser covenants that, in order to make any payments of Purchase Price when due from its general funds to the extent required hereunder, it will exercise its power of taxation to the extent necessary to pay the amounts required to be paid hereunder and will make available and use for such payments all taxes levied and collected for that purpose together with funds received from any other sources. The Purchaser further covenants and agrees that in order to make funds available for such purpose in each Fiscal Year, it will, in its general revenue, appropriation, and budgetary measures through which its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such payments of Purchase Price that may be required to be made hereunder, whether or not any other sums are included in such measure, until all payments so required to be made hereunder shall have been made in full. The obligation of the Purchaser to make any payments that may be required to be made from its general funds shall constitute a general obligation of the Purchaser and a pledge of the full faith and credit of the Purchaser to provide the funds required to fulfill any such obligation. In the event for any reason any such provision or appropriation is not made as provided in this Section 3.02, then the fiscal officers of the Purchaser are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate Fiscal Year the amounts required to pay the obligations that may be due from the general funds of the Purchaser. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the Purchaser had included the amount of the appropriation in its general revenue, appropriation, and budgetary measures, and the fiscal officers of the Purchaser shall make such payments of Purchase Price to the Issuer if for any reason the payment of such obligations shall not otherwise have been made.

(b) The Purchaser covenants and agrees that it shall, to the extent necessary, levy an annual ad valorem tax on all taxable property located within the territorial limits of the Purchaser, as now existent and as the same may hereafter be extended, at such rate or rates, without limitation as to rate or amount, as may be necessary to produce in each year revenues that will be sufficient to fulfill the Purchaser's obligations under this Agreement, from which revenues the Purchaser agrees to appropriate sums sufficient to pay in full when due all of the Purchaser's obligations under this Agreement. Nothing herein contained, however, shall be construed as limiting the right of the Purchaser to make the payments called for by this

Agreement out of any funds lawfully available to it for such purpose, from whatever source derived (including general funds).

**Section 3.03. Security for the Bond; Perfection.** Contemporaneously with the issuance of the Bond, as security for the payment of the Bond, the Issuer shall execute and deliver the Assignment. The Purchaser hereby assents to the assignment and grant of a first priority security interest made in the Assignment and hereby agrees that its obligations to make all payments under this Agreement shall be absolute and shall not be subject to any defense, except payment, or to any right of setoff, counterclaim, or recoupment arising out of any breach by the Issuer of any obligation to the Purchaser, whether hereunder or otherwise, or arising out of any indebtedness or liability at any time owing to the Purchaser by the Issuer. The Purchaser further agrees that all payments required to be made under this Agreement, except for those arising out of Unassigned Rights, shall be paid directly to the Bondholder for the account of the Issuer. The Bondholder shall have all rights and remedies herein accorded to the Issuer (except for Unassigned Rights), and any reference herein to the Issuer shall be deemed, with the necessary changes in detail, to include the Bondholder, and the Bondholder is deemed to be and is a third party beneficiary of the representations, covenants, and agreements of the Purchaser herein contained.

Upon reasonable and timely written notice from the Bondholder as to the required form, substance, timing, and place for filing, re-filing, recording, or re-recording, or for taking possession of any collateral, the Purchaser shall file, refile, record, or re-record all financing statements, continuation statements, documents, and notices or deliver possession of any instrument or cash necessary to perfect and maintain any lien or security interest created by the Assignment for the benefit of the Bondholder as a first and preferred pledge, lien, encumbrance, and security interest in and to the property encumbered thereby. The Issuer agrees that it will cooperate fully and will take any action required to assist the Purchaser in meeting the provisions of this Section 3.03.

**Section 3.04. Warranty of Title.** The Issuer warrants that (a) the Purchaser has acquired or will acquire good and marketable fee simple title to the Premises, (b) the Purchaser will be the legal and equitable owner of all Equipment and the Buildings and will have good and merchantable title to the Equipment, and (c) the Projects are and will be free from all Liens, adverse claims, security interests, and encumbrances.

**Section 5.02. Delivery and Acceptance of Possession.** The Issuer agrees to deliver to the Purchaser sole and exclusive possession and use of the Projects upon the date of execution and delivery of this Agreement, and the Purchaser will accept possession and use of the Projects upon such date. The Issuer covenants and agrees that it shall not take any action to prevent the Purchaser from having quiet and peaceable possession and enjoyment of the Projects during the term of this Agreement and shall, at the request of the Purchaser and at the cost of the Purchaser, cooperate with the Purchaser in order that the Purchaser may have quiet and peaceable possession and enjoyment of the Projects.

**Section 5.03. Purchase Price and Other Amounts Payable.** (a) Until the principal of, premium, if any, and interest on the Bond shall have been fully paid, the Purchaser shall pay the Purchase Price in installments and shall pay to the Bondholder for the account of the Issuer as installments of Purchase Price, on or before February 1, 2020, and on or before each August 1 and February 1 thereafter, to and including February 1, 2028, a sum equal to the amount payable on such date as principal of, premium, if any, and interest on the Bond, as provided in the Bond Purchase Agreement. Each installment of Purchase Price under this Section due on an interest or principal payment date or redemption date until the Bond is fully paid shall in all events be sufficient to pay the total amount of interest, principal, redemption requirement, and premium, if any, payable on the Bond on the principal or interest payment date or on the redemption date. Any installment of Purchase Price not received by the Bondholder when due shall continue as an obligation of the Purchaser until paid and shall bear interest at the rate of interest on the Bond.

(b) Until all amounts payable pursuant to Section 11 of the Bond Purchase Agreement shall have been fully paid, the Purchaser shall pay additional installments of Purchase Price and shall pay to the Bondholder for the account of the Issuer as such additional installments of Purchase Price, on or before each date amounts are due under Section 11 of the Bond Purchase Agreement, a sum equal to the amount payable on such date pursuant to Section 11 of the Bond Purchase Agreement. Any additional installment of Purchase Price not received by the Bondholder when due shall continue as an obligation of the Purchaser until paid and shall bear interest at the rate of interest on the Bond.

(c) The Purchaser agrees to pay to the Issuer additional installments of Purchase Price equal to all reasonable out-of-pocket costs and expenses of the Issuer and the Bond Buyer incurred in connection with their negotiation, structuring, documenting, and closing the Bond, including, without limitation, the reasonable fees and disbursements of counsel for the Issuer, counsel for the Bond Buyer, and Bond Counsel. The Purchaser agrees to pay to the Issuer additional installments of Purchase Price equal to all reasonable out-of-pocket costs and expenses of the Issuer and the Bondholder incurred in connection with their administration or modification of, or in connection with the preservation of their rights under, enforcement of, or any refinancing, renegotiation, restructuring, or termination of, any Bond Document or any instruments referred to therein or any amendment, waiver, or consent relating thereto, including, without limitation, the reasonable fees and disbursements of counsel for the Issuer and counsel for the Bondholder.

Such additional installments of Purchase Price shall be billed to the Purchaser by the Issuer, the Bond Buyer, or the Bondholder from time to time, together with a statement certifying that the amount billed has been incurred or paid by such party for one or more of the above items. Amounts so billed shall be paid by the Purchaser to the party submitting the bill for the account of the Issuer within thirty (30) days after receipt of the bill by the Purchaser.

(d) In the event the Purchaser shall fail to make any of the payments required in this Section 5.03, the item or installment so in default shall continue as an obligation of the Purchaser until the amount in default shall have been fully paid.

**Section 5.04. Place of Purchase Price Payments.** The payments of Purchase Price provided for in Section 5.03(a) hereof shall be paid in lawful money of the United States of America directly to the Bondholder for the account of the Issuer. The payments of additional purchase price to be made to the Issuer, the Bond Buyer, or the Bondholder pursuant to Section 5.03(b) and (c) hereof shall be paid directly to the Issuer for its own use or directly to the Bond Buyer or the Bondholder for the account of the Issuer.

**Section 5.05. Nature of Obligations of Purchaser Hereunder.** (a) The obligations of the Purchaser to make the payments required in Section 5.03 hereof and other sections hereof and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Purchaser and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment, or counterclaim, except payment, it may otherwise have against the Issuer or the Bondholder. The Purchaser agrees that it shall not (i) suspend, abate, reduce, abrogate, diminish, postpone, modify, or discontinue any payments provided for in Section 5.03 hereof; (ii) fail to observe any of its other agreements contained in this Agreement; or (iii) except as provided in Article VII hereof, terminate its obligations under this Agreement for any contingency, act of God, event, or cause whatsoever, including, without limiting the generality of the foregoing, failure of the Purchaser to occupy or to use the Projects as contemplated in this Agreement or otherwise; any change or delay in the time of availability of the Projects; any acts or circumstances that may impair or preclude the use or possession of the Projects; any defect in the title, design, operation, merchantability, fitness, or condition of the Projects or in the suitability of the Projects for the Purchaser's purposes or needs; failure of consideration; any declaration or finding that the Bond is unenforceable or invalid; the invalidity of any provision of this Agreement; any acts or

circumstances that may constitute an eviction or constructive eviction; destruction of or damage to the Projects; the taking by eminent domain of title to or the use of all or any part of the Projects; failure of the Issuer's title to the Projects or any part thereof; commercial frustration of purpose; any change in the tax or other laws of the United States of America or of the State or any political subdivision of either thereof or in the rules or regulations of any governmental authority; or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Agreement.

(b) Nothing contained in this Section 5.05 shall be construed to release the Issuer from the performance of any of the agreements on its part herein contained. In the event the Issuer should fail to perform any such agreement on its part, the Purchaser may institute such action against the Issuer as the Purchaser may deem necessary to compel performance so long as such action does not abrogate the Purchaser's obligations hereunder. The Issuer hereby agrees that it shall not take or omit to take any action that would cause this Agreement to be terminated. The Purchaser may, however, at its own cost and expense and in its own name or in the name of the Issuer, prosecute or defend any action or proceeding or take any other action involving third persons that the Purchaser deems reasonably necessary in order to secure or protect its right of possession, occupancy, and use hereunder, and in such event the Issuer hereby agrees to cooperate fully with the Purchaser and to take all action necessary to effect the substitution of the Purchaser for the Issuer in any such action or proceeding if the Purchaser shall so request.

**Section 6.02. Indemnity.** To the extent permitted by the statutes and Constitution of the State, the Purchaser shall protect, hold harmless, and indemnify the Issuer and the Bondholder from and against any and all liability, obligations, losses, claims, and damages whatsoever, regardless of cause thereof, and expenses in connection therewith, including, without limitation, counsel fees and expenses, penalties, and interest arising out of or as the result of the entering into of the Bond Documents; the ownership of any item of the Projects; the use, operation, condition, purchase, delivery, rejection, storage, or return of any item of the Projects; or any accident in connection with the operation, use, condition, possession, storage, or return of any item of the Projects resulting in damage to property or injury to or death of any person. The indemnification arising under this Section shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement and shall survive the termination of this Agreement for any reason.

**Section 6.03. Annual Budgets and Financial Statements.** (a) Commencing with the Purchaser's first Fiscal Year commencing after the date of execution and delivery of this Agreement, the Purchaser shall furnish to the Issuer and the Bondholder copies of each annual budget of the Purchaser within thirty (30) days after the filing of the adopted budget with its Governing Body. The covenants on the part of the Purchaser herein contained shall be deemed to be and shall be construed to be duties imposed by law, and it shall be the duty of each and every public official of the Purchaser to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the Purchaser to carry out and perform the agreements and covenants in this Agreement agreed to be carried out and performed by the Purchaser.

### ASSIGNMENT; PURCHASE PRICE PREPAYMENTS

**Section 7.01. No Assignment by Purchaser.** This Agreement may not be sold, assigned, or encumbered by the Purchaser without the prior written consent of the Issuer and the Bondholder.

**Section 7.02. Redemption of Bond.** The Issuer, at the written request of the Purchaser at any time and if the Bond is then callable or available for purchase, and if there are funds available therefor, shall forthwith take all steps that may be necessary under the applicable redemption or purchase provisions of the Bond Purchase Agreement to effect redemption or purchase of all or part of the then outstanding Bond, as may be specified by the Purchaser, on the earliest date on which such redemption or purchase may be made under such applicable provisions.

**Section 7.03. Prepayment of Purchase Price.** There is expressly reserved to the Purchaser the right, and the Purchaser is authorized and permitted, at any time it may choose, to prepay all or any part of the Purchase Price and other amounts payable under Section 5.03 hereof, and the Issuer agrees that the Bondholder may accept such prepayments of Purchase Price and other amounts when the same are tendered by the Purchaser. ## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES

**Section 8.01. Events of Default Defined.** The following shall be "Events of Default" under this Agreement, and the terms "Event of Default" or "Default" shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) The Purchaser's failure to pay the amounts required to be paid under Section 5.03 of this Agreement at the times specified therein.

(b) The Purchaser's breach in any material respect of any representation or warranty contained in this Agreement or the Purchaser's failure to observe, perform, or comply with any covenant, condition, or agreement in this Agreement on the part of the Purchaser to be observed or performed, other than as referred to in subsection (a) of this Section 8.01, for a period of thirty (30) days after written notice specifying such breach or failure and requesting that it be remedied, given to the Purchaser by the Issuer or the Bondholder, unless the Bondholder shall agree in writing to an extension of such time prior to its expiration. In the case of any such breach or default that cannot with due diligence be cured within such thirty (30) day period but can be wholly cured within a period of time not materially detrimental to the rights of the Issuer and the Bondholder, to be determined conclusively by the Bondholder, it shall not constitute an Event of Default if corrective action is instituted by the Purchaser within the applicable period and diligently pursued until the breach or default is corrected in accordance with and subject to any directions or limitations of time established in writing by the Bondholder.

(c) The Purchaser shall (i) apply for or consent to the appointment of or the taking of possession by a receiver, custodian, trustee, or liquidator of it or of all or a substantial part of its property; (ii) enter into an agreement of composition with its creditors; (iii) admit in writing its inability to pay its debts as such debts become due; (iv) make a general assignment for the benefit of its creditors; (v) commence a voluntary case under the federal bankruptcy law (as now or hereafter in effect); (vi) file a petition or answer seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts; (vii) fail to controvert in a timely or appropriate manner or acquiesce in writing to any petition filed against it in an involuntary case under such federal bankruptcy law; or (viii) take any action for the purpose of effecting any of the foregoing.

(d) A proceeding or case shall be commenced, without the application of the Purchaser, in any court of competent jurisdiction, seeking (i) the liquidation, reorganization, dissolution, winding-up, or composition or adjustment of debts of the Purchaser; (ii) the appointment of a trustee, receiver, custodian, liquidator, or the like of the Purchaser or of all or any substantial part of the assets of it; or (iii) similar relief in respect of the Purchaser under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition and adjustment of debts, and such proceeding or case shall continue undismitted or an order, judgment, or decree approving or ordering any of the

foregoing shall be entered and shall continue unvacated and unstayed and in effect for a period of sixty (60) days, whether consecutive or not.

**Section 8.02. Remedies on Default.** Whenever any Event of Default referred to in Section 8.01 hereof shall have happened and be continuing, the Issuer, in its discretion, may exercise any one or more of the following remedies:

(a) The Issuer may have access to and inspect, examine, and make copies of the books and records and any and all accounts and similar data of the Purchaser.

(b) The Issuer may from time to time take whatever action at law or in equity or under the terms of this Agreement may appear necessary or desirable to collect the Purchase Price and other amounts payable by the Purchaser hereunder then due or thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Purchaser under this Agreement.

No action taken pursuant to this Section 8.02 shall relieve the Purchaser from its obligations pursuant to Section 5.03 hereof, all of which shall survive any such action, and the Issuer may take whatever action at law or in equity as may appear necessary and desirable to collect the Purchase Price and other amounts then due and thereafter to become due or to enforce the performance and observance of any obligation, agreement, or covenant of the Purchaser hereunder.

**Section 8.03. No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Issuer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Issuer hereunder shall also extend to the Bondholder, and the Bondholder shall be deemed a third party beneficiary of all covenants and agreements herein contained.

**Section 8.04. Agreement to Pay Fees and Expenses.** In the event the Purchaser should default under any of the provisions of this Agreement and the Issuer or the Bondholder should employ attorneys, accountants, or other experts or incur other expenses for the collection of Purchase Price and other amounts due hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the Purchaser herein contained, the Purchaser agrees that it shall on demand therefor pay to the Issuer or to the Bondholder for the account of the Issuer the reasonable fees of such attorneys, accountants, or other experts and such other expenses so incurred by the Issuer or the Bondholder. Any attorneys' fees required to be paid by the Purchaser under this Agreement shall include attorneys' and paralegals' fees through all proceedings, including, but not limited to, negotiations, administrative hearings, trials, and appeals.

**Section 8.05. Waiver of Events of Default.** The Issuer may waive any Event of Default hereunder and its consequences. In case of any such waiver, or in case any proceeding taken by the Issuer or the Bondholder on account of any such Event of Default shall be discontinued or abandoned or determined adversely to the Issuer or the Bondholder, then and in every such case the Issuer and the Purchaser shall be restored to their former position and rights hereunder, but no such waiver or rescission shall extend to or affect any subsequent or other Event of Default or impair or exhaust any right, power, or remedy consequent thereon.
