NEWS RELEASE

Amended Temporary Closure Notice for Clayton County Government/Administrative Offices

Chairman Jeffrey E. Turner has extended the County's declaration of a state of emergency to May 13, 2020, to follow the State and Judicial systems' declaration. In addition, the County is following the Governor's extension of his shelter in place order, which is scheduled to expire on April 30, 2020.

However, the County's Continuity of Governance (COG) plan will continue through that weekend and will expire at 11:59 p.m. on May 3, 2020. This means that all employees not on approved leave, unless otherwise directed by your supervisor, should report to work at their next regularly scheduled day beginning May 4, 2020.

Employees scheduled to work between now and May 3, 2020, will continue to be paid and accumulate leave pursuant to Civil Service Rule 5.454. Those employees not scheduled to work during this same time period will continue to be paid regular pay during the time absent from work.
