**URGENT NOTICE TO CLAYTON COUNTY RESIDENTS**

**CLAYTON COUNTY JURY SCAM**

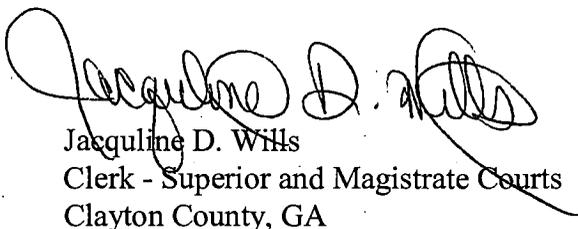

\*\*\*\*\*

Residents of Clayton County:

It has come to my attention that there is a 'Jury Scam' occurring in Clayton County. Some residents have been contacted by someone claiming to be from the Clayton County Sheriff's Office. This individual informs you that you have missed your jury duty service and must pay a fine because a warrant has been issued for your arrest. They will tell you that in order to avoid being arrested, you must obtain a pre-paid card, Green Dot Money Pak from Rite-Aid, Walgreens or CVS. They may even give you a case number and a judge's name who is presiding over the case along with a phone number to contact our office for verification. They will advise you not to mention to anyone in the store the reason why you are buying the card/cards. You will be advised to stay on the phone with them until the cards are purchased and then you will be asked to share the card number.

**DO NOT BELIEVE THEM. THIS IS A SCAM.**

Clayton County Superior Court Jury Department nor Clayton County Sheriff's Office will ever contact you by phone for money, vouchers, or pre-paid cards if a juror misses their jury service. If you ever receive such a call and need verification, please hang up from the caller and contact my office at 770-477-3408.
