COUNTY OF CLAYTON

RESOLUTION NO. 2018 – 15

A RESOLUTION TO AMEND THE CLASSIFICATION SPECIFICATION FOR THE POSITION OF DIRECTOR OF THE CLAYTON COUNTY DEPARTMENT OF PARKS & RECREATION; TO REVOKE THE AUTHORIZATION OF A SALARY INCREASE TO ACCOMMODATE CERTAIN JOB DUTIES; TO PROVIDE AN EFFECTIVE DATE OF THIS RESOLUTION; AND FOR OTHER PURPOSES.

WHEREAS, the Board of Commissioners desires to amend the Classification Specification for the position of the Director of the Clayton County Department of Parks & Recreation to remove certain duties and responsibilities; and

WHEREAS, specifically, the duties and responsibilities removed will include County policy planning, grant research, grant writing, applying for available grant funding and such other duties as the Board may deem necessary; and

WHEREAS, the Board previously authorized a five (5) percent increase in compensation for the position of Director of the Clayton County Department of Parks & Recreation to accommodate the performance of County policy planning, grant research, grant writing, applying for available grant funding and such other duties as the Board may deem necessary additional duties; and

WHEREAS, the current Director of the Clayton County Department of Parks & Recreation did not perform the duties of County policy planning, grant research, grant writing, and applying for available grant funding; and

WHEREAS, the current Director was not compensated the additional five (5) percent to perform these duties.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS
OF CLAYTON COUNTY, GEORGIA AND IT IS HEREBY RESOLVED

Section 1. The Board of Commissioners hereby amends the Classification Specification for the position of the Director of the Clayton County Department of Parks & Recreation to remove certain duties and responsibilities including County policy planning, grant research, grant writing, applying for available grant funding and such other duties as the Board may deem necessary. The Board also revokes the authorization of a 5% percent increase in the compensation for the position of the Director of the Clayton County Department of Parks & Recreation to account for the performance of these job duties. However, given that the current Director of the Clayton County Department of Parks & Recreation did not perform the duties of County policy planning, grant research, grant writing and applying for available grant funding, no decrease in the current Director of the Clayton County Department of Parks & Recreation's salary is warranted as there was no additional payment to the Director to perform these duties.

Section 2. This Resolution shall be effective on the date of its approval by the Board of Commissioners.

SO RESOLVED this, the 6th day of February, 2018.
