64. **Clayton County Vs Champion Furniture and Technology**, located at 7469 Tara Blvd. Inspector Green of Clayton County Community Development cited the following violations; under Code of Clayton County Chapter 22 Article II Section 22-28 operating a business without a current business license this being the second citation for the same offense. The defendant Mr. Bass denied the violation. Mr. Bass and Inspector Green were sworn in by the Prosecutor. Mr. Bass stated that the mailing went to the wrong address. Inspector Green stated on 6/9/16 we went out to the location of 7469 Tara Blvd. He asked, who was the owner or manager of the business. Mr. Bass said he was the owner. He explain to Mr. Bass the reason for their visit, none renewal of their business license. Mr. Bass said he had sent their information in the earlier part of the year. Inspector Green called the business license office and one of the technician said there was no information in the system of renewal for this business or the business location. Inspector Green stated he would have to cite the business. If he had any proof he would need to bring it into the business license office, as of now it still has not been renewed for 16. Inspector Green showed pictures of the business license that he took upon arrival, it is dated 15 at the end and the business license has not been renewed yet for this year. Mr. Bass stated that he has copies of the application that he printed from the website in February and actually mailed it to you’ll. Waited to hear the amount, but never heard from them. Mr. Bass stated when he went to renew, the address that the business license had was somewhere on Mt. Zion Blvd. The young lady he spoke with had to get someone to override her access so they could change the address in the system. Mr. Bass said his business license was renewed yesterday (July 11, 2016). Mr. Bass said he did have a copy printed of the renewed application where he submitted it in February. He stated that once he sends it in he could only assume what you are going to do and he did not know the balance. Mr. Bass said he never received anything until he saw you (Inspector Green). Inspector Green addressed Mr. Bass and stated on the business license itself its suite 1. Mr. Bass said he was told his address was Mt. Zion Blvd. Inspector Green informed Mr. Bass that the renewal notice is sent out somewhere around Thanksgiving or in December. Mr. Bass said if he did not receive a renewal notice that he would automatically go to the website in January and print the application out. Mrs. Etheridge asked if he knew how the Mt. Zion address got there. Mr. Bass stated she looked at the previous ones and verified that they all

should have been 7469 Tara Blvd that is the only address I have ever had. Vice-Chair Mrs. Welch asked Inspector Green, you went out to 7469 Tara Blvd on 6/9/16 is that correct. Inspector Green replied yes ma'am I did. At that time, on 6/9/16 he was notified that he did not have a business license. Inspector Green stated yes ma'am. Vice-Chair Mrs. Welch stated that so whether or not the previous letters had gone somewhere else he knew as of June 9th that he didn't have a business license. So even if you didn't get the previous mailing 6/9 that was over a month ago right. Inspector Green stated this was the second citation if he was notified that he did not have a business license. If it was a mistake and he had a problem with the first business license, first citation and he knew his address was wrong I think he should have changed it. Mr. Bass stated nobody told him his address was wrong until yesterday. Mrs. Etheridge asked the citation you received, the first one you got in 2015 where did it go. Mr. Bass stated 7469 Tara Blvd. Mrs. Etheridge asked Mr. Bass if he knows when his business license are due every year. Mr. Bass stated yes I do, I go to the website print it out and mail it. Once I send it in they will send me the amount I need to pay, when it's a specific amount I send it in and they send my business license. Vice-Chair Mrs. Welch stated just for clarification what I have heard here is you have seven to ten days to get a license for a new business license. Inspector Green said from January 1st to March 31st is the renewal grace period you have ninety to ninety-two days to renew that license for that year without penalty and interest. Vice-Chair Mrs. Welch stated he had the opportunity even if he had not receive the previous mailing that went to Mt. Zion he knew he had that window to renew his business license. Mr. Bass stated which he did and mail it to them. Vice-Chair you mailed it to the business license office and didn't receive it back. Mrs. Cleave asked how long have you been on Tara? Mr. Bass said nine years. Mrs. Cleave stated that's human error in the works. Mrs. Etheridge asked what they gave you today saying that they sent it to the wrong address. The clerk that renewed it yesterday told me there was an address of Mt. Zion Blvd I told her I had never been there and she asked a supervisor to override it and take it out the system. The Boards findings was no violation committed, the vote was 2 to 1 with Mrs. Welch voting in opposition. Must have no other violation for the next 12 months.

Inspector Green of Clayton County Community Development cited the following violations; under Code of Clayton County Chapter 22 Article II Section 22-28 operating a business without a current business license. The defendant Ms. Hall denied the violation. The prosecutor sworn Inspector Green and Ms. Hall in. Inspector Green stated he was told Ms. Hall was the owner. Ms. Hall said she had been having problems getting her Health Department certificate. Inspector Green stated that he called Mrs. Brooks the supervisor and she advised him to cite the business. Mrs. Brooks also advised Inspector Green to tell Mrs. Hall to go ahead and send her the information via email. Inspector Green said that Mrs. Brooks said the information was not comparable to what she needed in order to throw out the citation. As it stands right now the business license is not renewed. Ms. Hall said they have been in business for 20 years at this particular location. Two years (2) ago the Department of Environmental came aboard and they started having to apply for a certificate for 2015 and 2016. She said in 2015 they had a problem getting the certificate on time and they had dealt with them over and over again. They had mailed it to the wrong address. Mrs. Hall had a copy where it was mailed to the wrong address. So they reissued the certificate and she was able to get the business license without a citation or penalties at that time. This year the same thing occurred with the Department of Health. Mrs. Hall stated I have all the emails with that department where I was trying to get my license and permit. She stated she had a copy of the cancel check where it had been cashed. I advised them that I had to have it in order to renew my business license. So they

mailed it to my studio and none of my mail goes to my studio. I have a P.O. Box the Department of Environmental was advised of that. I told them I still have not receive the permit and I have a court case. So, today as I am leaving out of Griffin I go by my P.O. Box and I haven't open it yet I wanted you to see it. This is my Department of Environmental Health permit. Ms. Hall went on to explain that she had made attempts to contact the business license office. Showing that on June 6th she had copies of emails where she had stayed in contact with the office she had tried on three different occasion to set up an online account to pay. She asked if anyone could assist her with setting up an online account to pay no one could assist so she mailed the check. Ms. Hall said she mail the check in. She said she got an email back from Ulander Parrott on 6/10/16 and was cited on 6/13/16 after the check was cashed. Mrs. Hall said she email Mrs. Brooks to find out if she found anything in her research. Mrs. Etheridge asked Inspector Green up until this point it was in process, but it never showed is that correct. Inspector Green said yes because she is required to have a permit from the Health Department. Mrs. Cleave asked if that was what she needed to cancel out the citation. Inspector Green answered yes. The Boards findings was she was in violation, but concurred with what the Prosecutor recommended a fine of; five hundred dollars (\$500.00) all suspended providing she has her license by August 9, 2016. Must have no new violation for the next 12 months.
