#### PROBATE COURT OF CLAYTON COUNTY

# Instructions for Completing Annual/Final Return of Conservator

- Returns of conservators must be full, complete, detailed and accurate. Estimates and rounding are **not** permitted.
- The return is a report of every receipt and every expenditure of cash, and or check, and is similar to a simple check register on a personal bank account.
- If all funds are deposited into the conservatorship account(s) and all payments are made by check or drafts from those account(s), completing the return should be no more difficult than transferring the information from the bank records to these forms.
- It is the responsibility of the conservator to fully and properly complete the returns required. It is not the responsibility of court staff to prepare or correct returns. Incorrect, incomplete or unbalanced returns will simply be returned to the conservator for completion or correction.
- Please NOTE: all returns must be typed or legibly printed in black ink. Illegible returns will NOT be accepted for filing.

#### Page 1 and 2 of Return

- 1. Enter the name(s) of the Conservator(s) on the line in the box at the top of Page 1.
- 2. Enter the Docket No. (the case number) on the line indicated.
- 3. Enter the **Name** of the Ward or Minor on the line indicated.
- 5. Circle "Final" or "Annual" to indicate the type of return.
- 6. Enter the dates covered by the return. If this is the *first* return, the beginning date will be the date of your appointment. If this is not the first return, the beginning date will be the ending date from the last return.
- 7. Complete the Combined Summary Accounting.
  - A. Enter the total beginning balance from the last accounting. If this is the *first* return, the beginning balance is zero; everything received will be reported under Receipts.
  - B. Enter the Total Receipts in all accounts for the period covered by the return. Include all money and accounts initially transferred to and/or deposited into the conservatorship account(s) and all additional money received. Include all income received from all sources and all interest paid on any accounts or deposits. "Anything that is received must be reported."

- C. Add the Beginning balance and the Total Receipts, and enter the Subtotal.
- D. Enter the Total Expenditures from all accounts for the period covered by the return. Include all money spent or paid out, including any amounts automatically deducted from accounts and any bank charges, check printing charges, service charges or other fees. Include also any money paid out in cash (a practice discouraged by the court). "You must report any and all money that is spent for any reason." E. Subtract the Total Expenditures from the Subtotal, and enter the ending balance on the next line.
- 8. You are REQUIRED to file with each Return and updated Inventory and Asset Management Plan. Check the box to indicate that you have attached it to your Return.
- 9. Complete and sign the Verification. Your signature must be notarized or be witnessed by a Probate Court Clerk. Include the full information on how you may be contacted if there are any questions about your return.
- 10. Remainder of Page 2 is to be completed by Court staff.

- 1. Transaction Register(s)
  - A. Complete a **TRANSACTION REGISTER** [Page 3] for **EACH** conservatorship account for the full period covered by your Return. If all transactions for the period covered will not fit on one page, make copies of Page 3. The period covered for each account must be the same.
  - B. If you prefer, instead of the Transactions Register, you may attach a printed and complete computer software transaction report for each conservatorship account, provided it includes all of the required information.
  - C. You **MUST** report and show all receipts and all expenditures. Any money you received, from any source, is a "**Receipt**," and any money you spent or paid out is an "**Expenditure**." Be sure to include any money automatically deposited into an account and any interest earned on an account. Also be sure to include any automatic payments from an account and all service charges, check printing charges and other bank fees.
  - D. If you have more than one account, use the following Worksheet to combine the amounts from all accounts into totals for the Combined Summary on Page 1.

Serving as Conservator for another is an important job. It should be taken seriously. As a Conservator, you have taken an oath of office by which you have agreed to perform your duties as a Conservator in compliance with Georgia law. It is YOUR DUTY to file a Return each and every year as long as you serve as Conservator. It is the responsibility of the Court and its staff to assure that EVERY Conservator complies with this requirement.
