(Minimum Permit Fee: \$75.00; Certificate of Occupancy Fee: \$35.00)

I do solemnly swear that the information on this application is true, and that no false or misleading statement is submitted herein to obtain a building permit or certificate of occupancy. I understand that if I provide false or misleading information in this application I may be subject to criminal prosecution and/or immediate revocation of any building permit/certificate of occupancy issued as a result of this application. I understand that I must comply with all county ordinances and regulations. I hereby agree to provide any clearance(s) and/or inspection report(s) required prior to issuance of a permit or certificate of occupancy. I further agree that I shall be responsible from the date of this permit, or from the time of the beginning of the first work, whichever shall be earlier, for all injury or damage of any kind resulting from this work, whether from basic services or additional services, to persons or property. I agree to exonerate, indemnify and save harmless the county from and against all claims or actions, and all expenses incidental to the defense of any such claims, litigation and actions, based upon or arising out of damage or injury (including death) to persons or property caused by or sustained in connection with any work performed under the building permit issued as a result of this application. **NOTICE: A zoning review and building plans redline are required before a permit can be issued. Should you decide not to make required revisions to the application and/or supporting documents, you will forfeit the building permit application fees. The cost to reinitiate an abandoned permit application is \$75.**
