Dear Clayton County Community,

I look forward to our diverse community working together to seek solutions to any challenges we may encounter. # *Celebrating* WOMEN'S HISTORY MONTH

## *A Message from Chairman Jeffrey E. Turner*

*I want to use this opportunity to pay tribute to women and their contributions worldwide. Women have played a significant role in various fields like the arts, sciences, mathematics, and engineering, influencing America's narrative throughout history.*

*With their intellect, strength, courage, and innovative approach to life, women have made remarkable achievements and contributed to many life-changing and historical events. Let us take a moment to acknowledge and appreciate all women, past, present, and future, for the wonderful things they bring to the table.*

# *Celebrating Women Doing Great Things Right Here in Clayton County Georgia!*

*Dawn Lenice Murray*

*I would like to take a moment to recognize Dawn Lenice Murray, the founder of The House of Dawn. Mrs. Murray started this organization in 2000 while working as a Parenting Education Instructor and Home Visitor in Clayton County. She noticed that many pregnant and parenting teen mothers in the community needed a safe place for themselves and their children. Mrs. Murray saw the need for a Second Chance Home and decided to make it a reality.*

*Since childhood, Mrs. Murray has always had a heart for helping those in need. In 2000, she received a vision from God to provide shelter for homeless women and children. She researched homeless shelters and during a visit to one in Clayton County, Mrs. Murray witnessed a pregnant teen mother being turned away because she was too young. She learned that this was a common occurrence and that there were no shelters for teenage mothers in the community.*

*This experience led Mrs. Murray to found The House of Dawn Second Chance Home for teenage mothers and their children. She obtained her 501C3 and began collaborating with various agencies in the community. Due to strong community support and relationships with other agencies, The House of Dawn continues to help those in need. Thank you for all you do!*

*Sincerely,*

*Jeffrey E. Turner*

## Health & Wellness

### *YOUR METABOLISM!!!*

1. ***Your Basal Metabolic Rate-** This is approximately 65 to 70 percent of your total caloric expenditure, which is the amount of energy you utilize each day just to stay alive.*
2. ***More Muscle-** This means a higher metabolism. So, the more muscle mass in one's body translates to more calories burned, and this is, even when your body is at rest.*
3. ***Eating More Protein-** Digesting food burns calories. Protein burns the most fat. Increasing the protein intake in your body can temporarily boost your metabolism by approximately 15 to 30 percent Also, a diet rich in protein stimulates healthy levels of lean muscle mass, which increases the basal metabolic rate.... The body burns more calories!*
4. ***Men & Their Metabolisms-** Men in general have more total body mass, muscle mass, and higher levels of testosterone, and all of these increase the burning of calories.*
5. ***Menopause & Metabolisms-** Lower estrogen levels can reduce the metabolic rate and menopause can also cause a woman to store belly fat.*
6. ***Health Conditions & Metabolisms-** Occasionally specific illnesses or medications can affect the metabolism and the speed the speed your metabolism burns energy.*
7. ***Vitamin D & Metabolisms-** Research has shown vitamin D could play a role in metabolism and weight change.*

Refuse Control is a service provided by Clayton County for residents located in the unincorporated area of Clayton County. This department handles the disposal of certain items that your waste removal company may not pick up.

Refuse Control will pick up yard debris, furniture, appliances, limbs (up to 6" in diameter and no longer than 10 feet), bags of leaves, and miscellaneous items. The following items will not be accepted: tree trunks or stumps, batteries, tires, shingles, sheetrock, bricks, heavy metal, heavy items, mulch, dirt, paint cans, or hazardous items.

### Debris Removal:

- Place items to be picked up by the curb on the county's right of way.
- For an inspector to come out to give you an estimate, call Refuse Control at (770) 477-3548. (Estimate is at no charge.)
- Debris removal fee is assessed by our inspectors based on the amount and type of debris and the amount of time to load and unload

the debris. However, there is a minimum fee of \$20.00 that will be charged. Payment of fee constitutes acceptance of price. Should you decide to use the County's service, payment can be done in one of four ways:

1. Call the office and pay with Visa or MasterCard. (check cards will be accepted if it has a Visa or MasterCard logo)
2. Come by the office with cash, check, or money order.
3. Mail in check or money order.

### Other Services:

Refuse Control also picks up dead animals from the roads. For live wild/stray animals in the road, please call Animal Control (770) 477-3509 and report the location.
